Re: 06-11-SLR

Dear Clerk of Court:

Please find enclosed motion for appointment of Counsel, with enclosure.

Being in receipt of Court's JAN 6 order re the above matter, and in consideration of the JAN 20 deadline for defendant's response, I fear a hasty and unthorough response.

I assert that the Court would benefit from more detailed information that may not be readily forthcoming from correctional sources only. Consider: there are three different psychiatrists who have worked with me; with one, whom I have only spoke with briefly, that has decided to interrupt my treatment. (this since I have been incarcerated)

For this and other reasons and the mental suffering which is unabated since treatment has been interrupted, I submit the following motion.
